# ***Weekday activities***

We welcome you and your family to our church community. Our families programme is aimed at supporting you through your time as a

parent or carer of young children. Please do ask about anything not explained in this leaflet. We trust our groups will give practical help and support to your child in gaining social skills, but please remember we are here for you in other ways too— if you would like to be prayed for or just need a listening ear, please speak to any of our team members. A group of young mums meets for play, Bible study and prayer on Thursday mornings—please ask for details.

## ***Toddlers***

We run three toddler groups with a wide range of activities, including construction, creative play, baby area, home and book corners, a different craft each week, and a time for stories and singing. Our friendly supportive teams are made up of members of either St Paul's or St Mary's. Come along and enjoy a relaxing tea or coffee, and make new friends whilst your child plays and learns. We also run some Saturday sessions for **Dads and Toddlers** (this term, **28 Apr & 9 Jun**): please ask for more details. **Wrigglers** is a great place for new mums to have a chat about how things are going.
