What happens next?

Usually, we will only contact you at the beginning of the term your child turns two years old so don't worry if you don't hear from us before that time.

After checking your details with the Department for Work and Pensions to confirm that you are eligible, we will send you a letter. Take this letter to your chosen childcare provider, they will contact us and we will confirm that your funding is in place. The childcare provider will then be able to offer you some settling in sessions and agree a start date for your child. When your child starts, the childcare provider will claim funding directly from us.
