Fri 25th Feb – Assemblies at St Marys and St Elpheges, CU at Sutton Grammar

Mon 28th Feb – Lesson at Oaks Park, CSI Easter at Cheam Park Farm, Easter

1. Assemblies - We have **24 bookings** for assemblies next half term! Please pray that these would **all** go ahead, without cancellation, that the children would be blessed and know more about God through our message.

2. Easter Workshops - We have **10 CSI Easter workshops** at 8 different schools during February & March. Children become detectives and investigate what happened to Jesus'

body through storytelling, video evidence and activities. Please pray that God would reveal truth to these children as they explore the Easter story for themselves.

3. Easter Experience - We are fast approaching **Easter Experience**... almost fully booked! Please pray for the cast as they prepare; for health & protection from illness during rehearsals and performances; for smooth practicalities at all three venues, and that God's good news would be shared with the children who attend.

1.Lessons - We have lots of RE lessons coming up in various Schools between now and Easter. Please pray that these lessons will go well and students will see and hear a clear Christian message which enables them to explore the Christian faith further.

2.Christian Unions - Please continue to pray for our Christian Unions. We praise God for the great conversations we've been able to have with the students that have been coming. We're also really looking forward to supporting more Christian Unions in the near future!
