It's been a busy and exciting half term! We have visited **16 schools** to share assemblies and led **24 CSI Easter workshops** in **10 schools**. **Over a thousand children** have heard the gospel message and the good news of the Easter story.

- Praise God for these wonderful opportunities!

- Please pray for God to move in the hearts of the children and staff we have had contact with.

As we look towards the summer term, we have **39 assemblies** already booked in at **30 schools**. Several schools have been back in contact since Covid; we are looking forward to visiting these schools again.

There are still 14 schools in Sutton who do not currently have bookings with us.

Over 1400 children witnessed the Easter story at the Easter Experience this year. We praise God for this wonderful privilege and opportunity!

- Please pray that the seeds which were planted and the seedlings which are already growing will be watered and continue to grow!
- Please pray for opportunities for these children to hear more about our wonderful God and how much He loves them.

As we move into the Summer term, more schools are booked in for RE days and iwonder spaces, including some schools which we haven't visited since before the pandemic.

- Please pray that these days will be fun and memorable for the children, and that it will be a chance for them to engage meaningfully with the gospel.
- Please pray for Sarah Skinner as she returns to work after her maternity leave, and that the transition will be smooth for her and her family

New Schools - Please pray for the Schools that we currently don't work in, that they will open their doors up to us so that we can share the love of God with more young people in Sutton.

Christian Unions - We praise God for the CU groups that we run or support, and for the conversations we have been having with the students. We really look forward to supporting some new CU groups in the new term.

Students doing exams - Many young people will be doing their exams next term, please pray for these young people as they prepare.
